What is a Step Aside Scramble?

Members of each 4-person team in the tournament play a scramble, but the golfer whose ball is chosen for each shot has to sit out the next stroke.

Every \$50 raised from this Leadership Yakima hosted event will fund 1 foot of new Greenway path.

Fund a Foot

Leadership Yakima is proud to host this event to support the Yakima Greenway Foundations Fund a Foot program and our community.

The Yakima Greenway boasts ten miles of paved pathway and 12 major attractions including:

- parks,
 - fishing lakes,
 - picnic areas,
 - playgrounds,
 - parking lots, and
 - river access landings
- along with protected and natural areas.

The Greenway facilities are free and open to the public year round, dawn to dusk.

This rail to trail project will more than double the length of the Yakima Greenway by adding 10 miles to the path. It will connect the Town of Naches to Yakima, Selah, and Union Gap using the old railway line.

Bringing a trail in from Naches would not only add length to the Greenway path, but could attract more businesses to the area and increase activity within the area. The idea of this expansion has been harbored in the minds of visionaries for years, but it was not a foreseeable goal until Yakima County rail banked the line in 2004. With the first mile paved and the railroad ties re-moved, it is time to raise the money to complete the project.
