

5th Annual *Children's Village* Buddy Walk[®]

The Buddy Walk is an easy walk around the Children's Village campus to celebrate people with Down syndrome! This year, we'll offer two walking paths: a short, easy walk and a longer endurance walk (which is less than 1/2 mile). Children and individuals with special needs will receive Buddy Walk medals upon completion of the walk. We welcome children and individuals with Down syndrome, family members, friends, neighbors and the community!
